The theme

3 menu areas (header, footer, social), 1 widget area in footer

Customizable: primary color, filter over featured image, logo

Privacy policy link compatible (footer)

Accessibility-ready

Live examples: 2019.wordpress.net (demo), ma.tt, joost.blog, newspack.blog, wpgovernance.com, csaba.be, …

500 000+ active install

It's a minimal theme...

Clean, minimal & lightweight (~~web fonts~~, ~~jQuery~~)

Based on _s and Gutenberg starter themes

Developed on GitHub

Short development cycle: 16 October - 6 December 2019

It's a minimal theme...

... with maximum compatibility

Fully compatible with all core blocks

Visually: back-end = front-end

Styling

Visually: back-end = front-end

SASS to CSS

5 stylesheets: `style.css, style-rtl.css, style-editor.css, style-editor-customizer.css, print.css`

Hooks for styles: `wp_enqueue_scripts, enqueue_block_editor_assets` (new)

Theme support

Test

Watch & learn

Dare to get involved

Enjoy the process

Be proud 😊

Don't overdo it

The possibilities?

The blocks. 2019 is a new start for WordPress.

Twenty Nineteen is a clean sheet to start with & to learn from

Learn CSS deeply & style the editor

Creating and using additional blocks is the way to create custom sites

Thanks!
