Welcome

A photograph of a desk setup. On the left is a small bottle with reed diffusers. In the center is a potted snake plant. On the right is a computer monitor and keyboard. The background is a dark wall with a calendar showing dates from 6 to 28.

Digital strategy for
unique small businesses

[Twenty Nineteen](#) is the new WP default theme, with full support for Gutenberg, the new block editor

The possibilities

The blocks: a new start for WordPress

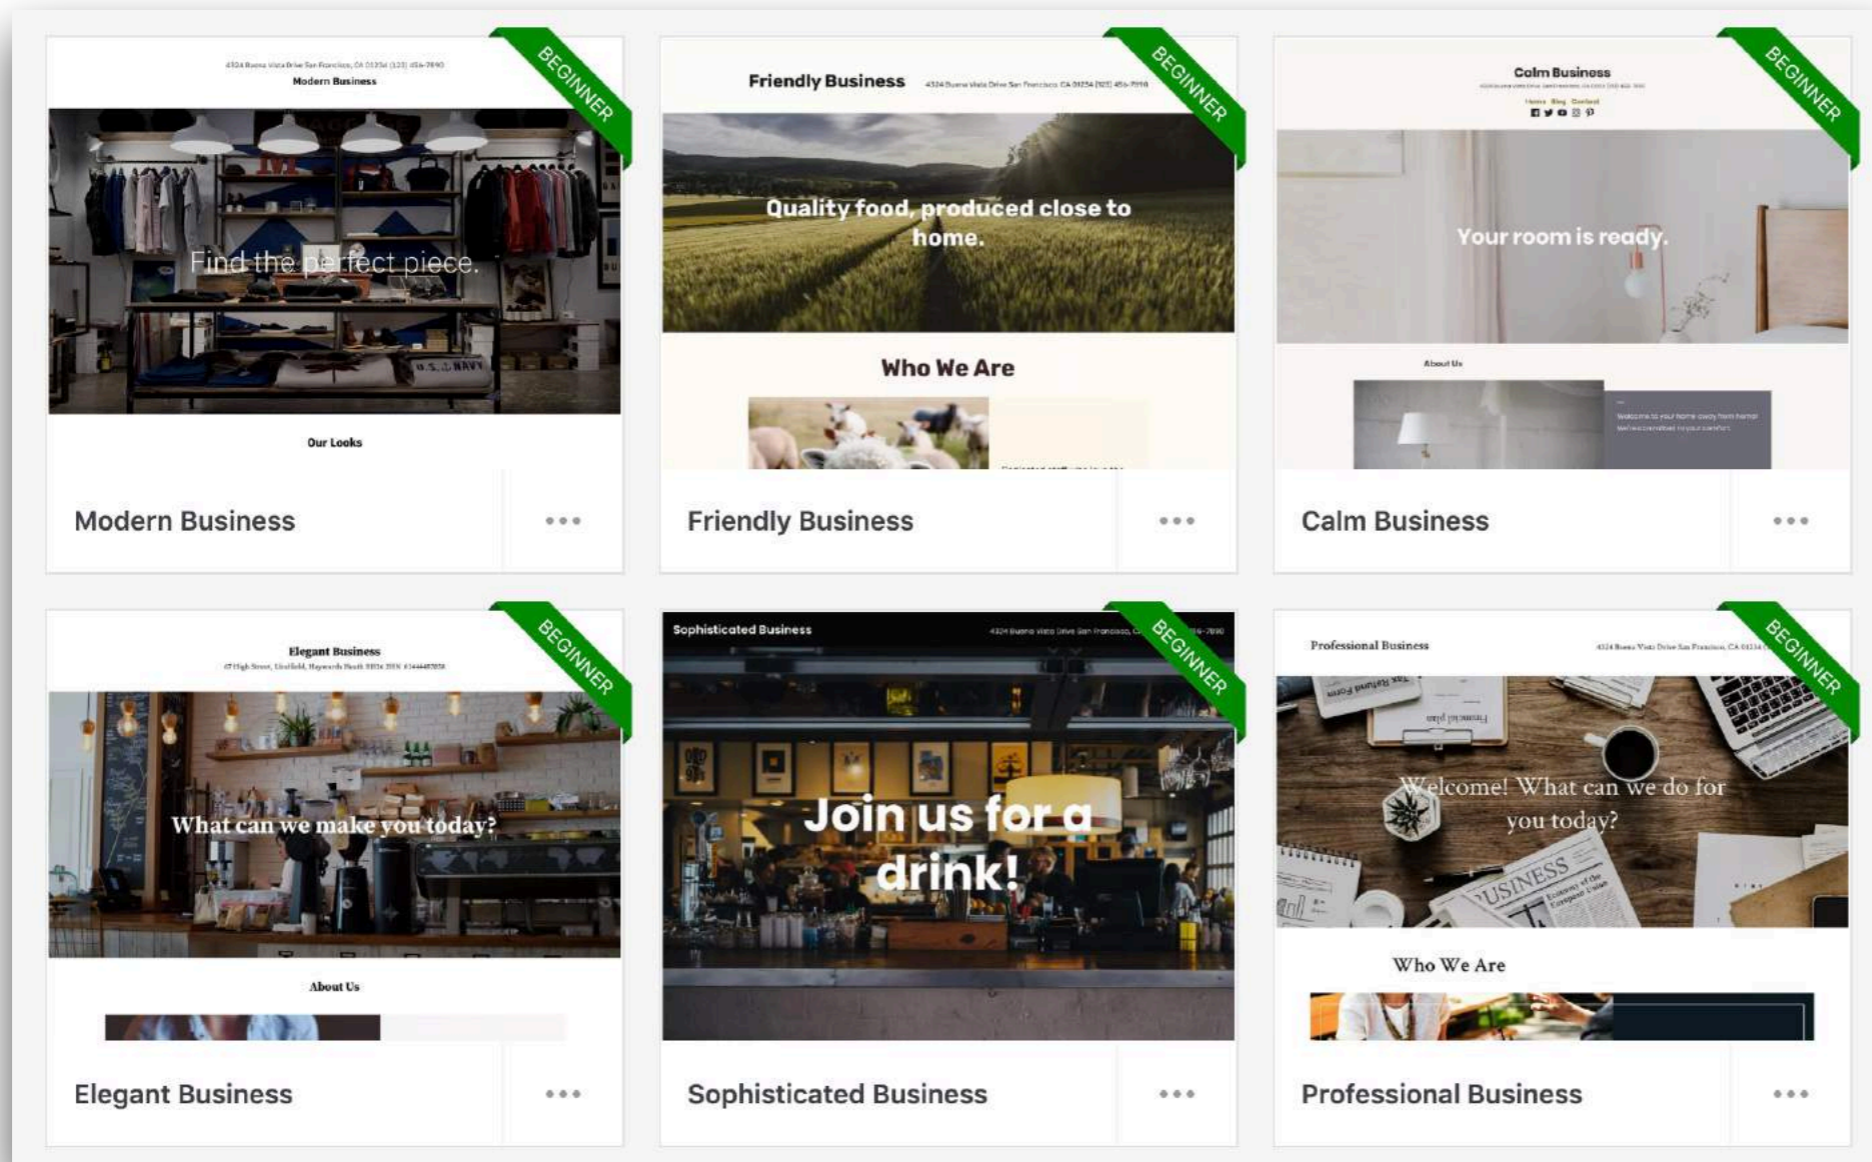

[themeshaper.com](https://www.themeshaper.com) for interesting articles

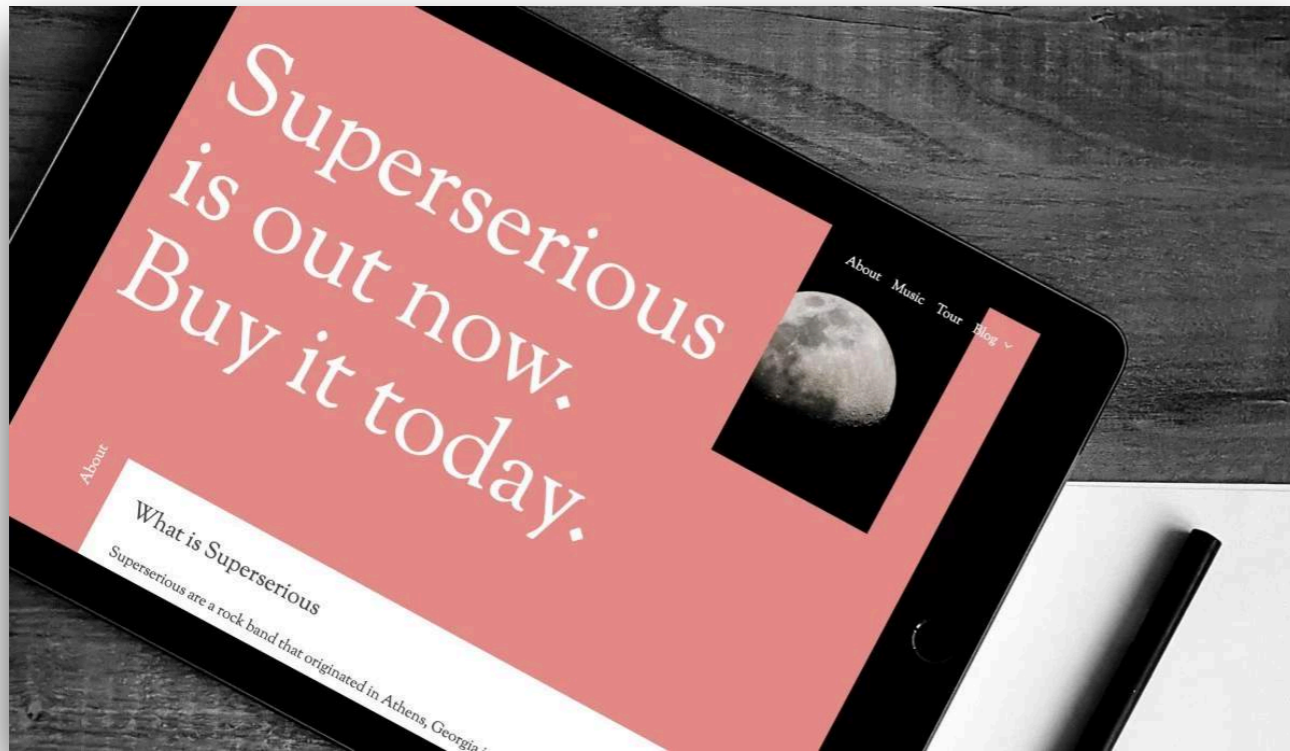

The possibilities

Clean sheet to start with & to learn from

The possibilities

Learn CSS deeply, style the editor & **get creative with those blocks!**

<https://themeshaper.com/2018/06/04/designing-a-gutenberg-powered-theme-music/>

The possibilities

Using and creating custom blocks is the way to create components of websites

To use, for example: coblocks.com
